GE® Commercial 22lb. Capacity Washer with Built-In App-Based Payment System, Coin Compatible*

FEATURES AND BENEFITS

Built-In, Coinless Payment System** - Eliminates the hassle of coins with the easiest, smartest, built-in QR code payment system.

***3rd party processing fees apply*

Launderday™ User App - Offers tenants and guests a modern laundry experience that saves them time with secure contactless payment, cycle notifications, machine availability status, and more.

SmartHQ™ Management - Owner's Dashboard centralizes critical laundry management information, including site revenues, machine status, pricing activities, and refund requests.

Protected with Microban* - Antimicrobial technology built into high-touch elements on the control panel.

Commercial-Grade Components and Materials - Built to last with a commercial grade motor, stainless steel wash basket, galvanized steel cabinet, and metal transmission.

Payment Flexibility - This commercial laundry with payment flexibility allows for optional acceptance of coin payment, built-in QR payment or both

22lb. Capacity - Maximizes revenue with an extra-large capacity that delivers the wash experience that tenants and guests expect.

Service Priority - Receive timely response from a dedicated service support team.

Parts Promise - Most common repair components** are on hand and available to be shipped within one business day.
